

# 4-H PROJECT EXHIBITOR CODE OF PRACTICE

I believe that my participation in the 4-H Program should demonstrate my own ability, knowledge, and skill as a 4-H participant. I will do my own work and only accept advice and support from others.

I will not use abusive or questionable techniques in the care, construction, assembly, or exhibition of my project. I will not resort to fraudulent, illegal, or deceptive practices when preparing them for exhibit. I also will not allow my parents, my supervisor or any other adult to employ such practices to my project.

I will read and understand the rules of all of the 4-H projects in which I am a participant. I ask that my parents and the supervisor of my 4-H project to be an example of how to accept what life has to offer—good and bad—and how to live with the outcome.

I realize that I am responsible for:

- - understanding and abiding by the Project Requirements,  
and any Ohio Department of Agriculture and Scioto County  
Junior Fair Rules that may apply to my project.
- - learning about a project to the best of my ability
- - and the development of sound moral character in myself - - and others.
