Super Heroes
Junior High Camp – 6th, 7th, 8th grades
June 13-16 at Canter’s Cave

Camp Registration
2:00 pm – 3:00 pm, Monday, June 13
Main Lodge

The camp director and co-directors are firm on registration times. For a successful camp, our extra time before registration is in working with our camp counselors from our counties. There will not be any supervision for youth who are brought to camp early!

Parents, please note that campers wishing to stay together in the same cabin should arrive TOGETHER, NOT EARLY, to register for lodging.

Late Campers – Please let your 4-H Professional know if a camper is going to be late and approximate arrival time or call Kathy Bruynis before camp at 937-393-1918 or the day of camp at 740-286-4058 (where you might get an answering machine). Please keep in mind that the camper will be housed in available space, but not necessarily with their friends.

Tribes – We encourage our campers to meet new friends, so campers are not guaranteed the same Tribe.

Camp Activities
Our regular camp will go on during the day, with a Super Heroes theme throughout the week, as well as nature and outdoor recreation. The directors, staff and counselors are planning some special events.

Our theme is “Super Heroes” Our camp counselors are working to develop some great activities to go along with the theme. We will have activities, evening programs, campfires, etc., that all follow the theme throughout the camp.

Campers will also have the opportunity to do high ropes, a night hike and traditional activities such as campfire, swimming, hiking, fishing & canoeing.

To Bring or Not to Bring?
Campers may bring radios and mp3 players, but they should be used with moderation so as not to disturb other campers. All personal property should be clearly marked.

What to Bring
1) **Camp Health Forms:** All forms should have been turned in at pre-registration. All medication should be turned in to the nurse. Please discuss any special health concerns with the nurse, and make sure your campers are prepared to follow the necessary health care they may need.
