Camp Registration - Main Lodge (AKA Cruise Boarding Point)
4 p.m. to 5 p.m., Monday, June 20

All aboard for Junior High Camp at Canter's Cave 4-H Camp!

We cannot wait to see all our camp friends this summer. This year's theme will be a cruise-ship-inspired one. We will be visiting tropical locals and have lots of traditional and special camp activities for our campers throughout the week. We are looking forward to a week filled with fun and friends!

Camp Arrival and Check-In

The Camp Staff is firm on registration times. For a successful camp, our time before registration is used to work with our camp counselors from our counties. There will not be any supervision for youth who are brought to camp early! Parents, please note that campers wishing to stay together in the same cabin should arrive **TOGETHER** to register for lodging.

Late Campers – Please let your 4-H Professional know if a camper is going to be late and approximate arrival time or call Jo Williams (740-354-7879) before camp or the day of camp at 740-286-4058 (where you might get an answering machine). Please keep in mind that the camper will be housed in available space, but not necessarily with their friends if they arrive late.

All camp registrations will be completed online this year, and payment must be made according to the instructions in your confirmation e-mail, by the deadline given in the confirmation. If payment is not made by the deadline, your spot may be released for another camper.

Camp Activities

Our regular camp will go on during the day, with a Canter's Cave Cruise Line twist throughout the week. The directors, staff and counselors are planning some special events, so be sure to come ready to have a wonderful voyage! We will have activities, evening programs, campfires, etc., that all follow the theme throughout the camp. ***This will include a Captain's Dinner & Dance the final evening if Campers want to bring one set of nice clothes to wear.***

Campers will also have the opportunity to do high ropes, a night hike and traditional activities such as campfire, swimming, hiking, fishing & canoeing.

Health Concerns

Please help us keep our camp safe and the camping experience enjoyable for all campers! All health forms should be completed on-line and don't forget to attach a photo. Please indicate any special dietary needs or other special accommodations on these forms so that your county 4-H Educator can notify the Camp Program Director in advance. For the health of camp, campers, counselors and staff will all have their temperature checked upon arrival. Anyone found to have a temperature will be rechecked by the camp nurse and if found to still have a fever will not be allowed to stay at Camp. (They may return to Camp if their temperature returns to normal for 24 hours. However, they will be rechecked upon arrival.) Persons found to have head lice will also not be allowed to remain at Camp and will be sent home. Please note we will also be watching bedding and bags for bed bugs as there is an increase in the number of bed bug infestation reports in Ohio. Should your camper become ill or injured we will make every attempt to contact you by phone immediately. Please make sure the phone numbers you provide on your health forms are current, and please provide us with cell phone numbers and a back-up emergency contact number of another family member.

Please refrain from bringing any Bath & Body Works products and products that contain peanuts to camp.

The Ship Store

This year every camper will receive a shirt with their registration. The Canteen will be open with snacks and drinks available throughout the week. There will be a few others items: hats, blankets, etc., if you wish to purchase them. There will be **NO BANK** for Junior High campers, and you do not have to leave additional money with your Camper. Campers will be responsible for their own money, and should not need more than \$1020.
