

4-H SHOWMAN OF SHOWMEN CONTEST

REFER TO JR. FAIR SCHEDULE FOR TIME AND DATE

RULES:

1. Winners of senior showmanship in horse, beef, goats, sheep, swine, dairy cattle, poultry and rabbits will compete for the Showman of Showmen award. Winners must show their animal. If a 1st place senior showman out of these species has previously won the Showman of Showman, then the second place person in that specie's senior showmanship class will compete in Showman of Showman.
2. The contest will be divided into eight parts (horses, goats, beef, sheep, swine, dairy cattle, poultry, and rabbits) with a different judge for each of the eight livestock departments represented.
3. Members will show all eight different animals using correct showmanship techniques for each.
4. Each judge will score the exhibitors on a scale of one to eight with eight being the best. The members with the most total points in the eight departments will be the winner. Only one individual will be selected as an overall winner. Other contestants will not be ranked.
6. In case of a tie, officials will draw two animals from one livestock department. Tying 4-H'ers will show these two animals to break the tie. Tie breaking animals cannot be from the same livestock department as the member's project.
7. The Showman of Showmen winner may not compete again.
