## **HEALTH REQUIREMENTS:**

1. Health certificates, tuberculosis tests or brucellosis tests are not required. There must be no evidence of superficial abscesses, sore mouth, or foot rot.
2. All goat projects (breeding, market, pack and/or other projects) must have a Scrapie tag present in their ear (prior to county tagging) identifying their flock of origin (prior to county tagging) identifying their flock of origin. Contact USDA for information on Scrapie tags at (614) 469-5602. Animals without official Scrapie identification are ineligible to exhibit, compete and/or sell at the Scioto County Fair.
3. According to ODA guidelines, members must keep all goat records (including all market, production and/or treatment records) for at least five (5) years.

## **GENERAL GOAT RULES:**

1. All goat projects must be in the member's ownership, possession and continual care by May 1 of the current year. Any special arrangements must be approved individually and on file at the Extension Office by May 1.
2. All projects must be weighed and/or identified at an official county tagging (or as specified for that project) during the current 4-H project year. 4-H'ers must all appropriate enrollment and identification forms on file in the Extension Office for the current year. Only entries meeting these standards are eligible for exhibition, show and/or sale at the fair.
3. All goats must be brought to the fairgrounds on the county tagging day to be tattooed, and tagged, including those already bearing identification.
  - a. *Exception: Any production female, cart, pack, pygmy or angora goat previously identified and shown at the Scioto County Fair does not need to be brought to the tagging if it is still being shown by the same 4-Her, BUT these animals must be recorded on the Goat I.D. Form and the paperwork turned in to the OSU Extension office before the county tagging deadline. All market goats must be identified during the spring tagging event.*
4. All goats must be properly dehorned and completely healed by fair. Only small spurs up to 1” growth after proper dehorning, as determined by the fair veterinarian. Boer production does may have horns according to breed standards. Male market goats must

be properly castrated by the county tagging deadline and completely healed by fair. Animals determined by the fair vet as not meeting these standards are ineligible for exhibition, show and/or sale at the fair.

5. 4-H members are responsible for their project animals from the start of their project year until they are loaded for shipment, their sale contract is fulfilled, the animal is taken, home and/or their project year is completed. Members are responsible for their project animals at all times. 4-H Volunteers, Extension Personnel, or Agricultural Society members are not responsible for the safety of the animals under any conditions.
6. All goats are to be penned on Sunday of the Scioto County Fair by 5:00 p.m. All members should be at their goat's pen for animal check-in at 5:30p.m., Sunday of the Fair. All goats being weighed are **not** allowed to wear any type of halter, leash, collar, etc. on the scales.
7. Intact male goats are not allowed on the fairgrounds. All males must be wethers.
8. All goats must be tended to twice every day of the fair. Hay must be tied up in pens. Feed pans and water buckets should be removed when not in use.
9. All 4-H members must clean their livestock pens daily to the bare floor. **PREMIUMS WILL BE WITHHELD AND ANIMALS WILL BE REMOVED FROM FAIRGROUNDS IF PENS AND ANIMALS ARE NOT PROPERLY CARED FOR.** (See General Breeding & Market Animal Rules)
10. All goats must be washed and clipped according to breed and industry standards before coming to the fair. Only touch up clipping is allowed at the fair (i.e. ears, udder, hoofs, feet/toes, and eyes/face). Refer to project manuals and pre-fair clinics for assistance.
11. Grooming of project livestock will be limited to 4-H members, immediate family members and approved Scioto County 4-H Volunteers. Immediate family is defined as grandfather, grandmother, father, mother, brother, sister (this includes stepparents/grandparents and siblings).
12. Unethical fitting and showing procedures outlined in the **GENERAL 4-H EQUINE, BREEDING AND MARKET ANIMAL RULES** are strictly prohibited. Violation of these rules is grounds for disciplinary action. Refer to additional Project Requirements for more information.
13. 4-H'er's are encouraged to be dressed in jeans, appropriate dress shirts and suitable shoes when showing their animals. 4-H'ers showing dairy does are encouraged to wear all white clothing.
14. All goat project members are encouraged to participate in the showmanship classes. The Senior Goat Showmanship winner will compete in the Showman of Showmen Contest on Friday evening of the fair.
15. All goats not being sold through the Jr. Fair Sale may be removed between 12:00 midnight on Friday of the Fair and 6:00 a.m. Saturday morning. If not removed by 6:00 a.m. Saturday, they must be removed after 12:00 midnight on Saturday and before

12:00 noon on Sunday. No Exceptions.

16. Refer to the “General 4-H Breeding & Market Rules” for other rules pertaining to this project.

#### **ADDITIONAL MARKET GOAT RULES:**

1. Market goats can be wethers or does. Does should be a meat breed such as a Boer, Boer cross, Spanish, Tennessee Meat Goat, etc. Wethers must be castrated and dehorned shortly after birth and completely healed by fair time. Animals determined by the fair vet as not meeting these standards are ineligible for exhibition, competition and the Junior Fair Sale.
2. Market goats must have milk teeth intact during check-in of the fair. A market goat missing any milk teeth at the Scioto County Fair check-in/weigh-in will be disqualified and may not be shown or sold at the Scioto County fair. Beginner members are encouraged to get January or February kids.
3. Liquid diets are discouraged. The use of a stomach pump for any purpose other than the relief of temporary gas at the fair is prohibited.
4. Market goats must weigh a minimum of 55 lbs. Sunday of the fair in order to compete for Champion, Reserve Champion, and Best Scioto County and to sell in the Junior Fair auction. Weigh-in will be following the sheep Sunday evening.
5. Market goats weighing less than 55 lbs. are encouraged to show in the lightweight class and showmanship to complete project requirements. Lightweight animals are not eligible for champion, reserve champion, Best Scioto County, or to sell in the Junior Fair Sale.

6. If a 4-H'er wishes to participate in the beef, sheep, goat and/or swine carcass activity, the 4-H'er must identify and/or weigh carcass animals according to activity rules and deadlines. 4-H'ers must enroll in a carcass activity by registering the appropriate project activity number on their advisor's enrollment form. Members who do not register on their enrollment form correctly are ineligible to compete in this activity. Refer to the carcass contest guidelines for activity number and completed guidelines.
7. *Carcass Purchase/Process and registration forms* must also be completed by the stated deadlines.
8. 4-H'ers exhibiting lightweight goats must complete a "light weight slip" (given to them at weight-in) and return it to the Extension Office within one hour of the conclusion of the goat show. On this form, the exhibitor must indicate whether they wish to take their goat home (after midnight on Saturday) or send it to the designated stockyard to be sold for market price. Please note that lightweight animals are usually discounted at the stockyards. Lightweight goats without completed forms (by the designated deadline) will be sent to the stockyards, and cannot be taken home. Private treaty sales are not permitted.
9. The Best Scioto County Champions will be selected from a separate "Born in Scioto County" class if the Grand or Reserve Champion animals were not born in Scioto County. The highest placing animal (that was born in Scioto County) from each market class will be selected to compete in this class for Best Scioto County.
10. All market goats meeting minimum weight requirements and shown in the market goat class are eligible to sell in the Livestock Auction on Saturday of the fair. See the fair schedule for sale order. Goats will sell by premium bid in the Jr. Fair Sale. In their sale check, participants will also receive market price per pound for their animal in addition to the premium bid at the Jr. Fair Sale.
11. Refer to general goat rules or the GENERAL 4-H EQUINE, BREEDING AND MARKET ANIMAL RULES for additional information.

21. Pygmy Goats

#### **SKILLATHON and OUTSTANDING EXHIBITOR**

All livestock project members are encouraged to participate in the livestock skillathon. Specific date information is located on the pre-fair schedule.

One Outstanding Exhibitor will be selected in each specie area each year. This person is selected based upon their scores in the skillathon contest, showmanship, and a project class. Therefore, 4-H'ers must participate in all three events in order to compete for this award.

For complete rules, dates and guidelines on these programs refer to the “Educational Livestock Event and Activities” section of the county project requirements.

## **GOAT HERDSMAN AWARD:**

There will be a Goat Herdsman Award for all goat project members. This award is based on member's activities and attitude during the fair. It will be given to the member who is courteous to the public and other 4-H'ers, maintains a neat and attractive project, helpful to others and otherwise interested in the goat barn area as a whole. The winner will be chosen by 4-H leaders in the goat project. The winner will be announced during the Showman of Showmen Contest Friday evening. 4-H'ers may only win this award once.
